TRAILED PLAIN MOWER

The Malone Procut 3000TP/3800TP, trailed plain mower is one of the best selling mowers on the market. There are many mowers available on the market but not all mowers are built the same, the Malone Procut 3000TP/3800TP mower has many desirable features and benefits that ensure you get a professional quality clean cut every time.

The Procut trailed plain mower is available at two different cutting widths. What really makes the Malone mower a cut above the rest is the heavy duty and robust build, ensuring the long life of your machine. The trailed mower uses 4 heavy duty springs to follow the contour of the land to ensure an even cut every time.
